

Department of Veterans Affairs
VETERAN READINESS & EMPLOYMENT
Empower. Achieve. Succeed.

You can find this by web searching "UTSA Degree Requirements" or by looking at your DegreeWorks on my.utsa.edu.

The following information is very important in assessing the veteran's ability to complete a designated degree program at your institution. (Information below may be unofficial or tentative--Does not have to be official).

This will be the official name of the degree program you got admitted for.

1. Number of college credits required to obtain declared degree program: _____

Title of Degree Program _____

If you plan to attend a higher level of education after this (ex: going to nursing school) please list any required prerequisite courses needed for admission.

2. Number of prerequisite courses required to complete: _____

3. Number of college credit hours accepted from transfer credit towards new degree towards new degree program: _____

You can see what credits were accepted and what credits are remaining by looking at your DegreeWorks on mv.utsa.edu.

4. Number of credit hours remaining to complete degree program after considering the transfer credits: _____

5. Anticipated date of completion (month/year) _____

This date is when you anticipate you will be able to graduate. If you plan to graduate in Spring the month will be "May". If you plan to graduate in the fall the month will be "December".

6. Estimated yearly cost including tuition, fee and books: _____

7. Using Tungsten/IPPS?

School Tax ID #:

Facility Code:

Service Provider Email:

You may find cost of attendance by going here: <https://future.utsa.edu/freshman/aid/>. If you plan to take summer courses this number might be slightly higher. Use the Cost of Attendance chart to formulate your yearly cost.

8. Veteran's academic advisor's name, phone number and email address:

Signature of Academic Advisor:

Printed signature:

9. Name and contact information of the Certifying Official for your institution:

At orientation you are provided an academic advisor. Your advisor should also appear on you DegreeWorks. Please reach out to them for their signature and contact information.
